A society for all

About us.

Inovar Autismo - Association of Citizenship and Inclusion - is a non governmental organization (NGO), created in 2016 by a group of autistic people, family members and others interested and concerned about Human Rights and Inclusion.

Our mission.

To promote the **inclusion of autistic persons** according to their needs and the needs of their families.

Our vision.

A “**Society for all**”, in which all persons rightfully occupy their place, regardless of their disability.

Our goal.

To **support each** autistic person and family throughout life by enhancing their capacities and skills, promoting the defence and exercise of their **rights, self-determination and independency**, awareness for inclusion, autism and disability.

Our projects.

Since its foundation, Inovar Autismo has developed several inclusive projects to raise awareness the community to the inclusion and human rights of disabled persons, promoting their inclusion in community activities.

Our approach: autism and sport.

***Working with entities in the community:
schools, clubs and associations***

❑ ***Training: clubs, coaches and teachers***

Training, support, inform and “give tools” on Autism, human rights and inclusion

❏ ***Sports practice in the community***

Support for sporting activities:

- Children and adults through Inovar Autismo's projects (YMI - Mediators)
- Young people and adults through the support of personal assistants (Centers for Independent Living)
